Chamomile Smooth Move® SENNA

What will Chamomile Smooth Move® SENNA do for me? Chamomile Smooth Move SENNA provides gentle, overnight relief of occasional constipation (irregularity). Senna leaf promotes bowel movement by direct action on the intestine.*

How do I know it works? A single serving provides an effective dose of sennosides from senna leaf, which have proven stimulant laxative action. Chamomile, fennel and peppermint are traditionally combined with senna to ease discomfort and reduce cramping.*

When should I use it? Drink one cup preferably before bedtime. Repeat the next day if needed. Chamomile Smooth Move® SENNA will generally produce bowel movements in 6 to 12 hours.

How does it taste? Pleasantly aromatic and bittersweet.

80% organic ingredients.

Duration of use: Stimulant laxatives should not be taken for a period longer than 1 week unless directed by a doctor.

Cautions: Ask a doctor before use if you have stomach pain, nausea, vomiting, or have noticed a sudden change in bowel habits that continue over a period of 2 weeks. Ask a doctor or pharmacist prior to use if you are taking any other drug. Stop use and ask a doctor if you have rectal bleeding or fail to have a bowel movement after use of a laxative. These may indicate a serious condition.

Contraindications: Ileus, acute intestinal inflammation (e.g. Crohn's disease, ulcerative colitis), appendicitis, abdominal pain of unknown origin, severe dehydration states with water and electrolyte depletion.

Keep out of the reach of children. In case of overdose, get medical help or contact a Poison Control Center right away.

NOTICE: This product contains senna leaf. Read and follow directions carefully. **Do not use if you have or develop diarrhea, loose stools, or abdominal pain because senna leaf may worsen these conditions and be harmful to your health.** Consult your physician if you have frequent diarrhea or if you are pregnant, nursing, taking medication, or have a medical condition.
