*Nutritionally Supports Healthy HGH Production,
Healthy Testosterone Production, Healthy Sexual Function
and Healthy Brain Function*

Conquer your day with the dominating power of Nature's Plus® maximum strength Ultra GHT MALE. Now made with higher potency vitamins, minerals and herbal blends, Ultra GHT MALE is supercharged with a unique advanced formula, so you can take it to the next level! Superior to any other product on the market, Ultra GHT MALE naturally boosts HGH and Testosterone for greater results than you've ever imagined!

Ultra GHT MALE features the benefits of hormone-boosting powerhouses such as Tongkat Ali and GlucodOX™, as well as Vitamin D3 for full body benefits. Ultra GHT MALE provides continuous human growth hormone- and testosterone-boosting benefits in extended release tablets for maximum activity and absorption.

Because testosterone and HGH work via different physiological pathways, their combined effects are greater than one would expect from either one alone. Nature's Plus® Ultra GHT MALE delivers stronger testosterone and HGH-boosting support than ever before, for total body vitality!

Ultra GHT MALE's nutritional approach to boost natural HGH and testosterone production delivers powerful nutrients that help:

- maximize free radical elimination
- improve overall amino acid nutrition
- supercharge L-dopa levels
- neutralize the free fatty acid blockade
- improve arginine hormone signaling
- enhance blood sugar control
- increase insulin-like growth factor 1
- increase osteoblast and chondrocyte activity
- enhance muscle gene expression
- reduce stress and stress-related chemicals
- boost AMPK cellular energy delivery system
