### Supplement Facts

Serving Size: 2 Tablets

|                                                                                                                                            | Amount Per Serving | % Daily Value |
|--------------------------------------------------------------------------------------------------------------------------------------------|--------------------|---------------|
| Ginkgo biloba leaf extract<br>(Standardized to 24% [14.4 mg.] flavoneglycosides, 6% [4 mg.] terpene lactones, 0.8% [0.5 mg.] Ginkgolide B) | 60 mg.             | **            |
| Phosphatidyl serine complex***                                                                                                             | 150 mg.            | **            |
| Acetyl L-carnitine                                                                                                                         | 100 mg.            | **            |
| DHA powder****<br>(docosahexaenoic acid)                                                                                                   | 100 mg.            | **            |
| Choline (as bitartrate)                                                                                                                    | 25 mg.             | **            |
| Inositol                                                                                                                                   | 25 mg.             | **            |

\*\*Daily Value Not Established

Other Ingredients: May contain one or more of the following: magnesium stearate, cellulose, vegetable stearin, dicalcium phosphate and silica. Our Ginkgo Biloba Extract is manufactured under strict quality control standards. Like all Japanese and European herbal extracts, the extraction is regulated according to quality standards that exceed regulatory standards in the U.S. Along with flavoneglycosides and terpene lactones, our ginkgo provides 0.8% Ginkgolide B and other ginkgolide and bilobalide constituents.

\*\*\* From LECI-PS® phosphatidyl serine. LECI-PS® is a trademark of Lucas Meyer.

\*\*\*\* From Neuromins™ a highly purified source of DHA from microalgae. Neuromins™ is a trademark of Martek Biosciences Corporation.
