

This product contains NO yeast, wheat, soy, dairy, corn, sodium, sugar, starch, artificial coloring, preservatives or flavoring.

Suggested Usage: As a dietary supplement, take one (1) or two (2) teaspoonfuls in eight (8) ounces of juice or water, or as directed by a health care professional. Store in a cool, dry place and keep away from direct sunlight.

Our Buffered Vitamin C Powder is made from hypoallergenic sources only. It is buffered with the minerals calcium, magnesium, and potassium which enhances absorption and tolerance, while reducing acidity. It is suitable for adults and children. For children's dosing, consult your doctor or pharmacist.
