

Thiazene™ is formulated to maximize rapid muscle definition, reduce water retention, and increase vascularity. Natural botanical compounds called Arctostaphylos and Taraxacum Officinale, have shown in scientific studies to increase diuretic activity and increase electrolytes. This is needed to maintaining maximum muscle shredded definition and lean appearance. Thiazene™ intensifies your bodies ability to show off at competitive bodybuilding shows and have complete muscular definition.

Warnings: Keep Out Of Reach Of Children. Do not use if you are pregnant or nursing. Not intended for use by persons under 18. Do not use if you have had a myocardial infarction (heart attack). Consult a physician if you have been treated for, or diagnosed with, or have a family history of any medical condition including, but not limited to, heart disease, high or low blood pressure, cardiac conditions, or psychological disorders, or if you are taking a prescription drug or over-the-counter medication. Use only as directed. Do not exceed recommended serving as improper use of this product does not enhance results.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
