

Contains No Added sugar, salt, dairy, yeast, wheat, corn, preservatives, artificial colors or flavors.

Suggested Use: As a dietary supplement, adults take one (1) softgel capsule, one (1) to two (2) times daily with meals, or as directed by a health care professional. Store in a cool, dry place and away from direct light.

Keep out of reach of children.

Co Q 10 is a biologically active quinone found in every cell of the body. It is a cofactor in the electron transport chain, the biological pathway in cellular respiration from which ATP** and most of the body's energy are derived. (**Adenosine Triphosphate (ATP) is an energy-rich compound used for all energy-requiring processes within the cell.) Scientific studies show that Co Q 10 is three times more bioavailable when delivered in an oil-based softgel capsule. Our Co Q 10 is dissolved in Vitamin E oil prior to encapsulation to increase the product's intestinal absorption.

CoEnzyme Q10 50 mg

Dietary Supplement

30 Softgels
