50 Chewable Tablets

Nutritional Support for Healthy Digestion.*

SAY YES TO DAIRY is a digestive aid designed for temporary relief from the discomforts of lactose intolerance following dairy food consumption. Each chewable tablet supplies DairyMate®, a highly active natural lactase enzyme, in a delicious French vanilla base. This unique combination forms a powerful, pleasant-tasting nutritional supplement that helps prevent such discomforts as gas, bloating and diarrhea, commonly associated with inadequate lactose digestion.

Specially cultured and ultra-purified for maximum potency, purity and stability.

Free from artificial colors and preservatives. Free from the common allergens yeast, wheat, soy and milk.

DIRECTIONS: As a dietary supplement, chew one tablet immediately before or after a meal consisting of dairy food. Designed as a digestive aid to manage the discomfort of stomach distress which occurs soon after consuming milk or other dairy products.

WARNINGS: If symptoms of stomach upset persist, discontinue use and consult a physician. Not to be used by children under 12 unless recommended by a physician.

KEEP TIGHTLY CLOSED IN A COOL, DRY PLACE.

KEEP OUT OF REACH OF CHILDREN.
