

XPEL is an extremely powerful herbal diuretic designed to help the body dramatically eliminate excess water retention from beneath the skin. This maximum strength botanical formula also supplies the proper balance of vital electrolytes, which can help maintain muscle performance and muscle fullness.

WARNING: This product is intended for use by normal healthy adults and should not be used by anyone with any known medical conditions. Do not use if pregnant or nursing. Not intended for persons under the age of 18.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
