

Kava has been harvested in the South Pacific islands and used by local peoples for many centuries for its calming effect. The standardized extract contains a group of biologically active compounds known as kavalactones. The most advanced extraction techniques are used to guarantee the presence of 30% kavalactones. Oat Straw Extract is added to provide additional synergistic benefits.

Contains No Added sugar, salt, dairy, yeast, wheat, corn, soy, preservatives, artificial colors or flavors.

**Suggested Use:** As a dietary supplement, adults take one (1) capsule, one (1) to four (4) times daily or as directed by a health care professional. Store in a cool, dry place and away from direct light.

**CAUTION:** Not for use by children under 18 years. If pregnant or using a prescription drug, consult a health care professional. Do not exceed the recommended dosage. Excessive use may impair the operation of heavy machinery. Do not consume with alcoholic beverages. *Keep out of reach of children.*
