

SUGGESTED USE: 1 tablet 30 minutes before bedtime as needed.

Melatonin 1mg Sublingual tablets are sweetened naturally with mannitol and xylitol, which do not promote tooth decay. This product is not intended for use by persons under 25 years of age. Avoid driving or operating machinery after taking. If you are pregnant or nursing a baby, consult your physician before using this product. Store in a cool, dry place, away from direct light.

KEEP OUT OF REACH OF CHILDREN.
