

DIRECTIONS:

Add one level scoop to 8oz. of water, non-fat milk, juice, or your favorite beverage. You can use more or less liquid to meet your desired taste and caloric needs. Shake/stir well until dissolved. Whey protein can be added to many foods including yogurt, oatmeal, and smoothies.

PURE ISOLATE:

The incredible quality of our Pure Isolate separates it from the rest; it is protein in its purest form. Not only is Muscle Gauge Nutrition's whey protein isolate fat-free, it also has less calories than other national leading brands. Like many of our powders Pure Isolate comes in every one of our wide variety of flavors, as well as unflavored if that is preferred. It is packed with 25g of protein per serving and designed for anyone who enjoys healthy living, and feeding their body the nutrition it needs. Do not go a day without your whey! Give your body what it needs to perform at its best when you purchase a great tasting, high quality, affordable protein from Muscle Gauge Nutrition.

CAUTION: Not recommended for individuals with allergies to dairy products and should not be used by pregnant or nursing mothers or children under 18 years of age without the advice of a physician. Excessive protein intake may result in impaired kidney function.

KEEP OUT OF THE REACH OF CHILDREN. DO NOT USE IF SAFETY SEAL IS DAMAGED OR MISSING. STORE IN A COOL, DRY PLACE.
