Manufactured in the U.S.A.

Protect from heat, light, and moisture. Store at controlled room temperature: 15°-30°C/59°-86°F

WARNING: If you are an athlete competing under International Olympic Committee (IOC) or World Anti-Doping Agency (WADA) rules, it should be noted that the IOC and WADA have banned any substance that artificially enhances the uptake, transport, or delivery of oxygen. Because this ban might include Oxydrene (due to its ability to increase oxygen uptake at peak exercise levels), competitive athletes should check with their trainers and governing bodies before using Oxydrene in organized athletic competition.

Cautions: If you are currently taking a prescription medication, consult with your physician before taking this product. Not for use by pregnant or nursing women. Not for use by individuals under the age of 18 unless directed by a doctor. Do not exceed suggested daily serving. If you or your health-care provider have any questions, please call 1-800-898-5153.

Keep out of reach of children.

Use only as directed.

Individual results may vary.

Do not purchase if seal is broken.
