Nature Made
TRIPLE
Probiotic™

When taken daily, Nature Made Triple Probiotic™ helps maintain wellness and vitality.†

The digestive tract, or gut, is the body's largest immune system organ, so it is important to promote digestive vitality in order to maintain immune health.†

Probiotics promote a healthy balance within the digestive tract so that your immune system stays strong naturally. **Nature Made Triple Probiotic** also contains several key minerals and vitamins known to support the immune system. Working together, this unique combination of nutrients provides dual levels of support to maintain immune system health.†

****Smart release, tri-layer caplet is designed to maximize efficacy:**

- Ensures delivery of live probiotics to the gut
- Probiotics are released in the gut for immune health benefits
- Vitamins and minerals are released in the stomach for optimal absorption
