

← Norway!

It all began when a little girl in Norway wouldn't take her fish oil. Norwegians don't handle such news well. And her grandfather, a renowned scientist, was determined to find a solution. His discovery later became Coromega®; a way for her to get her omega-3 in a way she loved. Get the whole fish story at coromega.com

directions: (Adults and children over 4) Take one packet daily with or without food, or as directed by your health professional. Tear along perforation, and squeeze directly into mouth or onto a spoon. Coromega® omega-3 may be added to cold food, such as yogurt, or a smoothie. While Coromega® omega-3 does not require refrigeration, some people prefer to take it cold. **DO NOT FREEZE OR HEAT.**

Colored with beta carotene. No sugar or artificial sweeteners. No dairy, yeast, wheat or gluten.

consult your physician before taking this or any dietary supplement.

NSF tested & certified

Molecularly distilled for purity!

300% better absorption than softgel capsules.

In a clinical study, the omega-3 in Coromega® was shown to enter the bloodstream faster, at 3 times the levels of a fish oil product in softgel form. See Coromega.com
