

Our full spectrum Echinacea Purpurea Extract is produced by a European phyto-pharmaceutical company under strict European quality control standards without the use of harsh chemicals. Our Goldenseal Root is ecologically farm grown without the use of harmful chemicals. The root is not harvested from the wild and therefore, the endangered wild population of goldenseal is not adversely impacted.

This product contains no added sugar, salt, dairy, yeast, wheat, corn, soy, preservatives, artificial colors or flavors.

Suggested Use: As a dietary supplement, adults take one (1) capsule, three (3) to six (6) times daily, or as directed by a health care professional. Store in a cool dry place and away from direct light.

Keep out of reach of children.
