

ProGreens®

ProGreens® is an all-natural blended variety of "Super Foods" that provide broad-spectrum nutritional support from organic grasses and natural food factors not found in isolated vitamins or mineral concentrates.* In addition to the green grasses, sea vegetables (seaweed) and algae, ProGreens® contains adaptogenic herbs, active probiotics, fibers, and a variety of nutrient-rich superfoods.*

Suggested Use

As a dietary supplement, add 1 scoop (8.8 g) to shaker containing 8 oz. of juice or water, drink immediately. Best taken on an empty stomach in the morning. More than one serving daily may be taken if desired.

Pregnant or lactating women considering taking more than one serving daily should consult with their healthcare practitioner prior to use.

Variations in product color may occur. Keep refrigerated whenever possible, tightly sealed.

Not labeled for sale in California.
