Support Line: 1-855-DIATRIX (342-8749)

Diatrix® is a professional grade formula and MUST BE USED WITH EXTREME CAUTION. Only healthy adults capable of handling its potent strength. It is mandatory that users get clearance from their physician before use.

DIRECTIONS: Adults, for best results, take one capsule in the morning 15 minutes before breakfast. Then take one capsule 15 minutes before dinner. Do not exceed two capsules per day.

How it works: This product is meant to be used according to the Diatrix® Diet Protocol as outlined on www.DiatrixDiet.com.

WARNINGS: Only to be used by persons 18 years of age or older. Do not use if nursing or pregnant. Keep out of reach of children. Do not use if tamper resistant seal is damaged or broken. Contact physician before use. Store in a cool dry place. One should monitor blood sugar levels regularly (after each meal). Do not use product if blood sugar levels drop below 70 mg/dl, simply skip a dose before a meal when this occurs and continue dosage. If blood sugar consistently remains at 70 mg/dl or lower for 3 meals or more discontinue use and consult a physician.

ALLERGEN WARNING: Product contains Fish
