

P2Life's Anti-Oxidant formula contains 23 antioxidants and other nutrients to help protect against the damage caused by free radicals.*

Anti-oxidants are substances that may protect your cells against the damaging effects of free radicals. Free radicals result from our own metabolic processes, as well as the air we breathe and radiation. Free radicals can damage cells, and may play a role in cancer, heart problems and other diseases.*

DIRECTIONS FOR USE:

Daily Dosage: 2 Capsules daily, preferably one in the morning and one in the evening, with meals.
