

40X MORE EFFECTIVE THAN ARGININE!**

ELITE SERIES

ARGININE ETHYL ESTER

CLINICALLY ADVANCED ARGININE

- ◆ INCREASE MUSCLE DEFINITION**
- ◆ INSTANT ABSORPTION**

SUGGESTED USE:** Take 6 capsules daily. For best results, take 3 capsules 30 minutes prior to training and 3 capsules immediately following your workout.

WHAT IS ARGININE?

Arginine is 100% Natural. Arginine is a building block of protein. Arginine can not be produced by the body and must be supplied through our diet.**

WHAT IS ARGININE ETHYL ESTER?

Arginine with an Ester attached. An Ester is an organic compound clinically created through the reaction of Carboxylic Acid and Alcohols.**

WHY IS ARGININE ETHYL ESTER BETTER THAN ARGININE?

Arginine Ethyl Ester is 40 Times more effective than Arginine due in part to the Ester molecule. This allows your body to absorb Arginine Ethyl Ester instantly while benefiting from the optimal amount of Arginine.**

WHAT DOES ARGININE ETHYL ESTER DO?

Arginine Ethyl Ester creates an ergogenic effect in our body's which increases NO₂ regulation. The result forces blood flow to your muscles and allows your body to keep the defined look that follows a strenuous workout! **

WHAT CAN I EXPECT FROM USING ARGININE ETHYL ESTER?

Vascular muscle pumps which directly results in a hardened look. The science behind Arginine Ethyl Ester shows the supplementation is most effective for activities that involve repeated short bouts of high intensity physical activity such as strength training.**
