

It all began when a little girl in Norway wouldn't take her fish oil. Norwegians don't handle such news well. And her grandfather, a reknowned scientist, was determined to find a solution. His discovery later became Coromega®; a way for her to get her omega-3 in a way she loved. Get the whole story at coromega.com

directions: (Adults and children over 4) Take one packet daily with or without food, or as directed by your health professional. Tear along perforation, and squeeze lirectly into mouth or onto a spoon. Coromega® omega-3 may be added to cold food, such as yogurt, or a smoothie.
