# Dexamine™

Maximum Potency  
Nutrient Repartitioning  
& Lipo-Affective  
Stimulant Diet Pill\*

60 Capsules - Dietary Supplement  
Contains up to a full 2 month supply

**DIRECTIONS:** As a dietary supplement, orally ingest 1-2 capsules once per day with 16-20 ounces of water after breakfast/before noon on an empty stomach. Do not exceed this dosage (2 capsules per day) under any circumstances. Due to the exceptional potency of this product, begin by taking 1 capsule once per day. Do not use this product for more than 8 weeks continuously without a 4 week break in use.

**Warnings:** This dietary supplement is intended to be used by healthy adults 18+ years of age. Do not use product if you are nursing, pregnant or are attempting to become pregnant. Consult with your physician prior to use if you are pregnant or nursing or if you are taking medications, including but not limited to, MAOI inhibitors, antidepressants, aspirin, nonsteroidal anti-inflammatory drugs or products containing phenylephrine, ephedrine, pseudoephedrine or other stimulants. Consult your physician prior to use if you have a medical condition including, but not limited to, heart, liver, kidney or thyroid disease, psychiatric or epileptic disorders, difficulty urinating, diabetes, high blood pressure, cardiac arrhythmia, recurrent headaches, enlarged prostate or glaucoma. Discontinue two weeks prior to surgery or if you experience rapid heartbeat, dizziness, severe headache or shortness of breath. Do not consume synephrine or caffeine from other sources, including but not limited to, coffee, tea, soda and other dietary supplements or medications containing phenylephrine or caffeine. Contains caffeine. Individual responses to dietary supplements may vary, for this reason some consumers of this product may need to consume only one capsule per day while others may need to consume two or three capsules per day. This product should be used in conjunction with a proper diet and exercise program. This product may contain ingredients banned by certain sports or professional organizations. User assumes all risks, liabilities, and consequences related to performance enhancing testing and use of this product. **KEEP OUT OF REACH OF CHILDREN.**
