

SIMPLY RIGHT™ 
Wellness & Nutrition

all natural enteric
**wild Alaskan
salmon oil 1200 mg**

*Cardiovascular health**

May reduce the risk of coronary heart disease†

Supports heart, brain and eye health*

Controls fishy burps and aftertaste

Purified to remove Mercury

200 SOFTGELS
Dietary Supplement

actual size

Suggested use: Take 2 softgels daily with a meal.

EnteriCare® softgels are laboratory tested to ensure release in the small intestine. The enteric gelatin shell reduces fishy aftertaste by protecting the softgel until it reaches the intestines.

EnteriCare® is a registered trademark of Banner Pharmacaps Inc.

PRODUCT OF CANADA

NUTRITION INFORMATION: Omega-3 fatty acids are necessary for many vital functions in the body.*

- Helps support a healthy heart and blood vessels.*
 - Helps provide DHA for cell membranes, the brain's gray matter, and the retina of the eye.*
 - Helps maintain blood pressure levels already in normal range.*
- † Supportive but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease. See nutrition information for fat and cholesterol content.

Wild salmon fishing in Alaskan waters is carefully managed to ensure sustainability.

Warning: If pregnant, nursing or taking any medications, consult your healthcare professional before taking this product.
