

"SHAKEN, NOT STIRRED"

Mt. Capra's **Double Bonded Protein™** is a high octane **whole protein** supplement produced from all natural goat's milk. It contains the complete full spectrum of amino acids from whey and casein proteins. The unique and natural blend of these two proteins provide a powerful muscle building supplement that triggers new muscle growth while suppressing muscle breakdown. **Double Bonded Protein™** is completely all natural and comes in a delicious chocolate flavor made with organic cocoa and other natural chocolate extracts.

Suggested Directions:

Double Bonded Protein™ should always be 'shaken, not stirred.' Take two heaping scoops twice a day with 8 oz. of water, juice or your favorite non-carbonated beverage. Shake vigorously. Try adding to your smoothies, yogurt, hot cereals, pancakes, muffins etc...
