Creapure® is a registered trademark of AlzChem AG, Germany.

SUGGESTED USE: As a dietary supplement, during loading phase: mix one scoop (5 g) with water or juice four times per day before meals for five days. During maintenance phase: mix one to two scoops per day with juice or water. Scoop included.

WARNING: Do not take this product if you are pregnant or nursing or if you have a renal disorder. Consult your healthcare provider before use if you are taking prescription medication or receiving medical treatment. Do not exceed recommended dosage.

This product features Creapure®, the ultimate creatine. When it comes to creatine, no other brand combines the three pillars of quality—careful selection of raw materials, patented high performance technology, and precise chemical analysis—the way Creapure® does. Creapure® is the safest, most effective creatine on the world market.

- DO NOT USE IF SEAL IS BROKEN. • STORE IN A COOL, DRY PLACE.
