

Probiotic Power: CAO H Probiotic Flora-Health™ is a blend of eight different species of beneficial bacteria designed to support gastrointestinal health and immune system function. FOS is also included in this product to assist healthy growth of acidophilus and bifidus organisms. Because this capsule is enteric coated, Flora-Health delivers its microflora directly to the intestine, bypassing the harsh acidic conditions of the stomach.

Product is stable at room temperature, requiring no refrigeration.

Please discard the inedible freshness packet enclosed.
