

Featuring scientifically proven Svetol®, Genesis Today's Pure Green Coffee Bean with Svetol® offers the ultimate in all-natural weight loss support. Svetol's® unique proprietary process extracts only the most potent and powerful chlorogenic acids from the raw coffee bean, making it the most effective form of green coffee bean extract available. This perfect blend of all-natural chlorogenic acids works to slow the release of glucose into the blood, which helps counter the accumulation of body fat caused by excess glucose (sugar) in the blood stream. Numerous clinical studies demonstrate that daily use of Svetol® can result in lowering fat, increasing metabolism and supporting energy!

Directions: Take two (2) capsules two or more times per day 30 minutes before meals with a full glass of water or as directed by your health care provider. Enjoy & live long! Do not use if seal around cap is broken. Keep out of reach of children. Do not take if you are pregnant or nursing or if you have a tendency to have low blood sugar levels.
