- Enhances joint mobility and flexibility with maximum strenath TriFlex™\*
- Features 900 mg omega-3s to support natural anti-inflammatory response and promote joint health

30 PACKS

Health scores compared to those taking a placebo.

GNC Mega Men® Joint Vitapak® Program is physician endorsed by Frank J. Costa, M.D., an internationally acclaimed urological surgeon, men's health expert. and member of the GNC Medical Advisory Board.

"Mega Men® Joint Vitapak® Program was carefully formulated to support joint health concerns of all active men. This comprehensive program features a premium men's multivitamin, plus clinically proven ingredients in TriFlex™, combined with Triple Strength Fish Oil. I highly recommend this product to anyone who is looking for the best in overall joint support." - Frank J. Costa, M.D.

Why Should I Use Mega Men® Joint Vitapak® Program?

Mega Men® Joint Vitapak® Program is specially formulated to address the joint concerns of active men. The components in this program – GNC's clinically proven Mega Men® multivitamin, TriFlex™ premium joint formula, and high-potency Triple Strength Fish Oil - work together to provide highly effective joint health support.

How Can Mega Men® Joint Vitapak® Program Benefit Me?

Mega Men® Joint Vitapak® Program combines important nutrients that support your overall nutritional needs with focused ingredients designed to address your joint health needs in one convenient daily

How Does Mega Men® Joint Vitapak® Program Work?

Each serving of Mega Men® Joint Vitapak® Program includes the following components to help you achieve your daily nutritional goals:

- Mega Men® This clinically studied^, powerful iron-free multivitamin supports overall health and wellness. It includes a potent complex of B-vitamins which are essential for metabolism support and energy production.\*
- TriFlex™ This premium formula supports joint comfort and flexibility with full-potency, clinically tested amounts of glucosamine and chondroitin, which help preserve joint function and rebuild, cartilage, and MSM, a naturally occurring compound that provides an important component for joint cartilage.\*
- Triple Strength Fish Oil This high-potency dose of 5 times purified fish oil provides 900 mg of omega-3 fatty acids DHA and EPA. Fish oil supports the body's natural anti-inflammatory response

and helps promote joint health.\* In a randomized, double-blind, placebo-controlled study of 112 healthy volunteers, subjects taking the GNC vitamin and mineral blend in this product for six weeks experienced statistically significant improvements in markers of B vitamin and antioxidant status, as well as improvements in SF-36 Vitality and Mental
