

Directions: Take two capsules twice daily or as directed by your healthcare practitioner.

Gluco Slim features significant quantities of key ingredients that support healthy blood insulin and sugar levels. CinSulin®, the safe, patented, 100% water-soluble 10:1 concentrated form of cinnamon, provides glucose metabolism and antioxidant support via polyphenol polymers, while standardized American Ginseng, Green Tea, Gymnema, and Alpha Lipoic Acid protect pancreatic cells, support insulin sensitivity, and provide antioxidant support. Albion®'s TRAACS® patented chromium is added to enhance the action of insulin.*
