GNC QUALITY COMMITMENT

For more than 75 years, GNC has been the leader in the development and manufacture of dietary supplements and is committed to producing the most superior products. We use only the highest quality ingredients manufactured under the strictest quality controls. Every raw material used is tested to ensure its purity and potency. Each product is dated and then shipped immediately to our stores to ensure that you are purchasing the freshest supplements available.

GNC GUARANTEE

If you are not 100% completely satisfied, return the unused portion of the product with your receipt to a GNC store within 30 days. Our trained sales staff will either refund your purchase price or, if you prefer, assist you in finding a replacement product to help you LIVE WELL.

GNC Ultra Mega® Green Men's offers a superior blend of greens, fruits, vegetables, antioxidants and enzymes to help support good health. This nutrient-dense whole food enhanced multivitamin formula has been designed to supply nutrition for even the most demanding lifestyles.

- Features premium superfood based blends including wholesome fruit, vegetable and greens blends. These nutrient-rich blends supply cell-protecting antioxidants that also support immune health.*
- Provides 1,600 IU of vitamin D-3. Emerging research suggests that adequate daily vitamin D intake may play a role in supporting colon and immune health.*
- Enhanced with n•zimes®, a proprietary blend of digestive enzymes, with proven bioactivity. n•zimes® are active in both acidic environments of the stomach and the alkaline environment of the small intestine. Lab tests show that n•zimes® work throughout the digestive tract, contributing to a more complete digestion of nutrients.* This superior formula helps promote protein, carbohydrate and fat digestion.*
- Supplies essential B-vitamins that are important for cardiovascular health and the production of energy.*
- Combines important nutrients with specialized herbs such as saw palmetto and pumpkin seed to support normal prostate health.* It also includes lutein and zeaxanthin to support eye health.*

- Includes important minerals like zinc for normal reproductive function, copper which is involved in the production of cellular energy and chromium that plays an important role in normal glucose utilization.*
- Timed-release caplets provide a gradual release of vital nutrients.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
