

research proven
protein that works™

america's #1 protein
since 1993™

the only **5x** gold medal
taste winner

taking better care of yourself
from the inside out.

congratulations!

You have chosen America's #1 protein since 1993.

Now, with better taste, and an improved formulation for faster, leaner results.*

just scoop, stir, & serve

DESIGNER WHEY® mixes easily with a spoon. No blender needed. 97% lactose free and suitable for most anyone with lactose intolerance. DESIGNER WHEY is amazingly versatile – for drinks, shakes, muffins, cereal or pancakes. Use 1 scoop of DESIGNER WHEY, 2-4 times a day, depending upon your bodyweight, metabolic status, workout program, diet and recovery needs.

fast-acting full spectrum whey peptide™ delivery

DESIGNER WHEY® gives you the research proven benefits of its specialized blend of Full Spectrum Whey Peptides™. Peptides, short and long chains of amino acids bonded together, are the preferred method for the human body to absorb muscle-building nitrogen.*

increase lean muscle, resulting in decreased bodyfat*

DESIGNER WHEY is University tested, and shown in 3 separate studies to help hard training athletes increase lean muscle while decreasing body fat in a comprehensive training program.* DESIGNER WHEY contains whey-derived calcium which is essential for bone health and muscle contraction.*

directions for use

Add 1 scoop to 3-10 oz. water, milk, juice, yogurt or your favorite recipe**. Stir until dispersed. Drink immediately. Add more or less liquid as you like.

the best
results

Upon rising to break the muscle
wrecking over-night fast: 1 scoop

Prior to workout: 1 scoop

Immediately following your
workout within 30 minutes: 1 scoop

Before bed to combat the
muscle wrecking fast: 1 scoop

enriched with glutamine and the branch chain amino acids (BCAAs)

One scoop of DESIGNER WHEY provides 2g of glutamine and 5.5g of the BCAAs (Leucine, Isoleucine, Valine). All of which are important for muscle recovery and muscle growth.* DESIGNER WHEY is also enriched with Taurine, L-Leucine and L-Phenylalanine.

improved strength, power and recovery*

DESIGNER WHEY contains ZinMag-6™ and B vitamins to aid in protein metabolism and support increased strength, improve power and aid in faster recovery.*
