

SUGGESTED USE: Take one softgel, three times daily, during or before meals.

CONTAINS NO sugar, starch, artificial colors, flavors, preservatives, yeast, wheat, grain, gluten, egg, or milk products.

Designed for long term use, three **Joint Maintenance** softgels provide optimal amounts of glucosamines, in both sulfate and hydrochloride forms and chondroitin sulfate to encourage viable cartilage tissue health. We also provide generous amounts of distilled fish oil extract, rich in EPA, with turmeric root extract and the enzyme bromelain (from pineapple) to aid in managing inflammation, aches and pains. The amounts of vitamins C and E, as well as the chelated micronutrient copper, will encourage collagen re-growth and cross-linking throughout the entire joint.
