

Contains No Added sugar, salt, dairy, yeast, wheat, corn, soy, preservatives, artificial colors or flavors.

Suggested Use: As a dietary supplement, adults take one (1) capsule, one (1) to three (3) times daily with meals, or as directed by a health care professional. Store in a cool, dry place and away from direct light.

Keep out of reach of children.

Our Standardized St. John's Wort Extract is produced by a European phyto-pharmaceutical company and is manufactured under strict European quality control standards without the use of harsh chemicals. Like all European herbal extracts, the extraction of our St. John's Wort Extract is regulated to the same high standards as Over-The-Counter drugs. It is meticulously extracted to provide a standardized level of 0.3% natural occurring Hypericin. Our Standardized St. John's Wort Extract contains a full spectrum of components as they occur naturally in St. John's Wort. Siberian ginseng and Ginkgo biloba work synergistically to enhance the proven benefits of St. John's Wort.
