

CAUTION!: Consult with your physician before using this product, particularly if you are taking prescription medications. Do not use this product if you are under the age of 18 or are pregnant or nursing. Do not use this product if you are at risk for or are being treated for high blood pressure, heart, kidney, thyroid or psychiatric disease, anxiety, depression, seizure disorders or stroke. Do not combine this product with any other thermogenic or stimulant product. The recommended serving of this product contains about as much caffeine as a cup of coffee and individuals with caffeine sensitivity should consider the amount to take. Everyone's metabolism is different and may respond differently to the variety and amount of each ingredient in this product. Do not exceed recommended serving. If you experience any adverse reaction to this product, immediately discontinue use and contact your physician. Do not take near bedtime as it may cause sleeplessness.

KEEP OUT OF REACH OF CHILDREN.
