Directions: Dissolve one scoop of MaxRelax powder into 6 fluid ounces of cool, pure water. Drink one to four times daily.

MaxRelax is an innovative formula in the form of a cherry-flavored powdered drink mix. Containing a synergistic blend of ingredients known to regulate catecholamines and up-regulate the inhibitory neurotransmitter, GABA, the formula aims to promote a calm, relaxed physiological and emotional state.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

CAUTION: Keep out of reach of children. Take only under supervision of a healthcare practitioner.

STORAGE: Keep tightly closed in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, soy, animal or dairy products, artificial colors, sweeteners, or preservatives.
