Skeletal Support Series

SuperSilica *Plus!*

Dietary Supplement

60 Vegicaps
(500 mg ea) 30 gr.

**Soft Tissue
Integrity**

SuperSilica *Plus!*

Silica is a vital nutrient. It is a major component of hair, skin, nails, bones, and all the soft tissues of the body.* Silica deficiency increases with age. Silica deficiency is a contributing factor in many age-related conditions such as increased brittleness of the skeletal system, chronically sore muscles and tendons, skin wrinkling, and even dementia.*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

HYPOALLERGENIC: This product does not contain milk, eggs, soy, fish, Crustacean shellfish, tree nuts, peanuts, wheat, yeast, salt, preservatives, artificial color, flavor, or fragrances.
