

A healthy respiratory system depends on proper nasal and sinus function. But seasonal changes and allergens, as well as environmental irritants, can leave you feeling miserable.

Aller-Pure provides a proprietary blend of gentle, soothing herbs, vitamins, minerals and other natural ingredients to support the health and function of your upper respiratory system.* Our unique, triple-pronged formula works with your body's own natural immune response, as part of a total-body approach to wellness.*

• **Upper Respiratory Support** - Vitamin C and Manganese nourish delicate respiratory tissues and support healthy mucous membranes, along with standardized extracts of Lemon Balm and Holy Basil, traditionally used to support the upper respiratory tract.*

• **Supports Stable Immune Response**—Significant levels of Quercetin and Rosmarinic Acid (from *Perilla frutescens*) support your immune system's Mast Cells in responding naturally to irritants.*

• **Potent Antioxidant and Enzyme Blend** — Citrus Bioflavonoids help fight free radicals and maintain healthy respiratory function, while Bromelain helps to support sinus health.*

What makes us different:

 **Liquid Soft-Gels** - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. *Advanced Liquid Soft-Gels provide an optimum delivery system.*

Quality Assurance - We at Irwin Naturals are committed to providing the highest quality products for your health. We employ third party testing for independent verification of purity and potency.

Environmental Responsibility - A percentage of our profit is donated to organizations that support the environment. As much as 90% of our future medicines may come from our dwindling rain forests.

Patented Bioperine® Complex - Bioperine® further enhances the bioavailability, absorption and potency of many nutrients.

Usage Warnings: Do not use if safety seal is broken. Check with your doctor before using this product if you are using medication or have any medical conditions. Do not use if you are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place.
