VOODOO NS™ is a caffeine free, natural stimulant, formulated with 3 specific blends of powerful nutrients that support the metabolism, weight management and help stimulate mental clarity. Losing weight is not magic, it requires speeding up the metabolism to burn extra calories.

METACAL-BURN™ provides a potent blend of ingredients suggested to support metabolic function. Limiting caloric intake may also help with weight loss. **SLIMFORCE™** incorporates active ingredients suggested to help suppress appetite, increase thermogenesis and flush excess water. Finally, a healthy lifestyle requires willpower and focus. The ingredients in **FOCALSTIM™** are suggested to awaken and energize, without speeding up heart rate and feeling jittery.†
