

MX-LS7™

**Reprograms fat into a metabolic grenade...
Forces fat cells to self-destruct!**

MX-LS7™ is a new, significantly stronger, concentrated version of our original high-performance fat burner that has helped over two million people lose weight and get ripped since we first introduced it in 2002. Our new, more powerful, state-of-the-art formula has been totally re-engineered with never-before-seen ingredients, which scientific studies have shown help destroy fat cells by converting resistant/"stubborn" white cells into usable/"dissolvable" brown cells—making fat cells literally self-destruct.

And, once combined with our scientifically designed "GET RIPPED" plan (contained **FREE**), will help you significantly reduce bodyfat, fast, and reveal your hard-earned muscular definition.^A

^{**}30 subjects, twice-a-day use, after 4 weeks, including reduced-calorie diet and exercise protocol (same as contained inside). Pilot clinical study, August 2011.

^AThese statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

WARNING: KEEP OUT OF REACH OF CHILDREN. Consult a physician before use. Not intended for use by persons under the age of 18. Do not exceed recommended dose. Do not consume synephrine or caffeine from other sources, including but not limited to, coffee, tea, soda, or other dietary supplements or medications containing phenylephrine or caffeine. Do not use for more than 8 consecutive weeks. Consult with your physician prior to use if you are pregnant or nursing, contemplating pregnancy, or if you are taking any medications, including but not limited to MAOI inhibitors, antidepressants, aspirin, nonsteroidal anti-inflammatory drugs, or products containing phylephrine, ephedrine, pseudoephedrine, or other stimulants. Consult your physician prior to use if you have a medical condition including but not limited to heart, liver, kidney, or thyroid disease, psychiatric or epileptic disorders, difficulty urinating, diabetes, high blood pressure, cardiac arrhythmia, recurrent headaches, enlarged prostate, or glaucoma. Discontinue 2 weeks prior to surgery or if you experience rapid heartbeat, dizziness, severe headache, or shortness of breath.

Reviews From Test Subjects of MX-LS7 STUDY PROTOCOL:

"Unbelievable!"

"When the judges told me I was the most ripped, well-conditioned 50 year old they'd ever seen on stage... I knew MX-LS7 was the secret weapon I'd been searching for to get that dry, hard, chiseled competition-ready physique. Trust me, this new MX-LS7 works like nothing you ever used before!"

— R. Dewey Whitworth
MX-LS7 Test Subject #12

DIETARY SUPPLEMENT

INCLUDES FREE "GET RIPPED" PLAN!

MX-LS7™

RECOMMENDED USE: As a dietary supplement, begin by taking one capsule per day for the first three days, 30 minutes prior to morning meal. For maximum effectiveness, after day four, take a second capsule 6 to 8 hours later, 30 minutes prior to main meal. To avoid restlessness, do not take within 4 hours prior to sleep. Please read the entire label carefully before use and follow directions. **Do not exceed more than 3 capsules per day.**

NOTICE: For OPTIMAL RESULTS, FOLLOW THE SCIENTIFICALLY DESIGNED DIET PLAN INCLUDED.
