

What is Body Rush?

BODY RUSH is a powerful, pre-workout sports drink that is scientifically engineered to dramatically improve energy, strength, stamina, and focus.

Designed to enhance the performance of professional athletes, **BODY RUSH** provides the explosive energy necessary to take even the most intense workouts to the next level.

BODY RUSH contains a sophisticated blend of advanced nitric oxide boosters, essential B vitamins, electrolytes, energizers, carnitines, and BCAAs.

BODY RUSH contains no banned substances and all units are safely engineered in NSF and NPA GMP-Certified facilities in the USA. The product of cutting edge science, **BODY RUSH** is the perfect complement to any athlete's regimen.

Precautions: Use only as directed. Consult your physician before use if you are pregnant or nursing, have a medical condition, or use prescription medications. For adult use only. Do not exceed 2 servings in any 24 hour period.
