

What is Body Rush?

BODY RUSH is a powerful, pre-workout sports drink that is scientifically engineered to dramatically improve energy, strength, stamina, and focus.

Designed to enhance the performance of professional athletes, **BODY RUSH** provides the explosive energy necessary to take even the most intense workouts to the next level.

BODY RUSH contains a sophisticated blend of advanced nitric oxide boosters, essential B vitamins, electrolytes, energizers, carnitines, and BCAAs.

BODY RUSH contains no banned substances and all units are safely engineered in NSF and NPA GMP-Certified facilities in the USA. The product of cutting edge science, **BODY RUSH** is the perfect complement to any athlete's regimen.

Precautions: Use only as directed. Consult your physician before use if you are pregnant or nursing, have a medical condition, or use prescription medications. For adult use only. Do not exceed 2 servings in any 24 hour period.

Other Ingredients: Natural and Artificial Flavors, Malic Acid, Citric Acid, Silicon Dioxide, Acesulfame Potassium, Sucralose, FD&C Red #40

Allergen Warning: Manufactured on equipment which processes products containing milk, eggs, soybeans, wheat, shellfish, fish oil, tree nuts, and peanut flavor.

Instructions for Use: As a dietary supplement, use 1 scoop of Body Rush mixed with 8-12 oz. of cold water, 30 minutes prior to working out.

Warning: Please be aware this product contains the naturally occurring amino acid Beta-Alanine, which may cause a tingling skin sensation in some individuals similar to niacin flush. This effect should diminish after a few hours and should ultimately subside after days of continuous use. Although rare, individuals with the genetic disorder Hyper Beta-Alaninemia should not use this product.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, prevent, or cure any disease.
