Made from an exclusive blend of Immuno Whey™, chia seeds, and probiotics (15 billion bacteria per serving), Dr. Mercola's **Pure Power Protein** is a unique high-quality whey protein with high biological value and great nutritious potential for immune support and muscle nourishment.

Pure Power Protein is delicious and has no aftertaste. **Pure Power Protein** contains digestive resistant maltodextrin, a non-digestible water soluble fiber naturally found in maize and other plants, which has been shown to help lower blood sugar and blood lipids. This type of fiber also performs as a pre-biotic to help support healthy gut flora as well as help the digestion and utilization of protein. Being 100% natural, and made from the finest whole food ingredients, this low-glycemic whey protein is free from refined sugars, sugar alcohol, fructose, and without artificial ingredients and preservatives.†
