

Trouble Sleeping?

Many of us struggle to get the quality sleep that we deserve. That is why we've developed a sleep aid that is safe and effective. Somnapure's naturally occurring ingredients are non-habit forming and won't leave you feeling groggy the next day. With Somnapure®, you will fall asleep faster, stay asleep longer, and get the high quality sleep that helps you wake refreshed and ready for the day.

Let Somnapure remind you of how it feels to have a full and great night's sleep.†

Real Ingredients

Somnapure® contains premium, natural ingredients that you are already familiar with:

Lemon Balm

An herb in the mint family used to promote sleep through relaxation.

Melatonin

A naturally occurring compound that helps regulate sleep patterns.

Hops

A flower cluster used to increase alpha-waves, decreasing the time it takes to fall asleep.

Valerian

A perennial herb used for centuries to promote relaxation and reduce the time it takes to fall asleep.

Chamomile Flower

A daisy-like flower known for its calming effects and use in herbal teas.

L-Theanine

An amino acid commonly found in green tea that exhibits a relaxing effect.

Passion Flower

A beautiful flower used to promote sleep.

Directions:

Take two tablets once daily, 30-60 minutes before bed. Do not exceed two tablets in any 24 hour period. For best results use nightly.
