FOR
DAIRY FOOD**

50 Chewable Tablets

SAY YES TO DAIRY is a digestive aid designed for temporary relief from the discomforts of lactose intolerance following dairy food consumption. Each chewable tablet supplies DairyMate®, a highly active natural lactase enzyme, in a delicious French vanilla base. This unique combination forms a powerful, pleasant-tasting nutritional supplement that helps prevent such discomforts as gas, bloating and diarrhea, commonly associated with inadequate lactose digestion.

Specially cultured and ultra-purified for maximum potency, purity and stability.
