

Nutritional Support for Healthy Blood Sugar Levels

in those individuals already within normal ranges.*

Each Herbal Actives Fenugreek capsule, providing the greatest concentration of active botanical principles, maximizes the synergistic benefits of the whole seed, which is rich in galactomannan, with a unique ratio of 1:1 galactose to mannose.

Guaranteed Maximum Potency: Each Herbal Actives formula is scientifically standardized to the highest level of active principles.

HerbaShield: An exclusive purity and safety system including light-resistant bottle, airtight inner seal, moisture-absorbing packet, tamper-evident safety cap and tamper-proof full bottle seal.

Directions: As a dietary supplement offering the consistent benefits of exact potency, one capsule daily or as recommended by your health care professional.

Note: If you are pregnant or nursing, consult your health care professional before using any herbal product.
