

Garden Greens™ GojiSplash™ is a delicious, sulfite free juice concentrate made up of antioxidant rich berries harvested from the Lycium plant. These translucent red berries, known as Sou-Qi-Zi or Goji, are treasured by cultures all over Asia because they are believed to provide age-defying and immune supporting benefits.*

For thousands of years, people from the Himalayas and China have revered the Goji berry for its revitalizing properties. Recent scientific studies have backed up this ancient belief by suggesting that the polysaccharide rich Goji berries may help balance and support the immune system.*

Polysaccharides are simple sugars linked together to form very large branched molecules. The Goji berry contains molecules that form their own unique chemical structure unlike anything else found in nature. This structure, known as Lycium Barbarum polysaccharides (LBP), may be one of the reasons why Goji berries may help provide age-defying and immune supporting benefits.*

Goji berries also contain important antioxidants. Antioxidants are important because they may help render free radicals inactive in the body. Free radicals can rip apart healthy cells leading to premature aging and disease. The antioxidants in GojiSplash™ may help keep these free radicals in check leading to a healthier you.*

Now you can share the treasured secret of the Asian people by making GojiSplash™ a part of your diet.

Garden Greens™ GojiSplash™ ... your gold standard for concentrated food supplements.*

Supplement Facts

Serving Size: 1 fl. oz., or 30 ml (2 tablespoons)
Servings per Container: 32

	Amount Per Serving	% Daily Value
Calories	20	
Total Carbohydrates	4 g	1 1/2*
Sugar	4 g	†
Potassium	40 mg	2%
Antioxidant blend (Grape skin extract 37% polyphenols)	70 mg	†
Goji (Lycium barbarum) (fruit)	11,000 mg	†

* Percent daily values are based on a 2,000 calorie diet.
† Daily value not established.

Ingredients: Goji juice (reconstituted from whole Lycium barbarum fruit concentrate), purified water, apple juice concentrate, natural flavor, grape skin extract, malic acid, potassium sorbate, and sodium benzoate added to maintain freshness.

DIRECTIONS: Take 2 tablespoons from bottle or mix with 6 fl. oz. of cold water once daily as a dietary supplement. For best results, refrigerate after opening.

Notice: As with all dietary supplements, please consult your physician or health care provider prior to using this product if you are taking prescription medication or have a chronic disease. Not intended for pregnant or nursing women.

- Do not purchase if seal is broken.
- Shake well before use.
- Keep out of reach of children.
- Refrigerate after opening.
