

BA-Endurance™ 100% Pure Beta-Alanine

BA-Endurance™ is 100% pure pharmaceutical grade beta-alanine. BA-Endurance™ combines with histidine (another amino acid) in the muscle tissue to increase muscle carnosine stores. Carnosine delays muscle fatigue through its buffering action on acid build-up in muscles. This increases your endurance and ability to work out longer.*

120 Capsules • Dietary Supplement

Directions:

Take 2 capsules with an 8 oz. glass of water 3 times daily.

On workout days, take 2 capsules approximately 30 minutes before you workout.

For best results, we recommend using this product in combination with Super Charge® Xtreme N.O. Pre-Workout drink mix.

Note: Tingling of the skin, due to nerve stimulation, may occur in first time users. This is harmless and will stop with continued use.

Store in a cool dry place.
*Protect from heat, light, and moisture.
