

Prima Uña de Gato II

Cat's claw (*Uncaria tomentosa*) extract containing 3% total alkaloids. Minerals and enzymes are added to the formula.

Replaces #55040. Cat's claw is changed from a powder to a high quality 4:1 extract. The other active ingredients remain the same.

Suggested Use

As a dietary supplement, 1 capsule one to three times daily on an empty stomach, or as directed by a healthcare practitioner.

Use under medical supervision. Herxheimer reaction may occur. Not recommended for pregnant or nursing women or organ transplant recipients.

Keep in a cool, dry place, tightly capped.
