

USAGE: Take 1 capsule 1 to 2 times per day with a meal, or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Alpha GPC (L-alpha glycerylphosphorylcholine) is a phospholipid metabolite found concentrated in neuronal membranes. Alpha GPC is well absorbed and crosses the blood brain barrier.* As a substrate involved in the synthesis and secretion of acetylcholine, Alpha GPC supports brain function and learning processes.* Alpha GPC supports neuronal health and promotes signal transmission by serving as a precursor to membrane phospholipids.*

Keep out of the reach of children.
