

Natural Gamma-E

Natural Gamma-E contains alpha-tocopherol balanced with gamma-tocopherol.* Research suggests that gamma-tocopherol complements alpha-tocopherol, because excessive alpha-tocopherol may deplete plasma gamma-tocopherol.* Natural tocopherols come from soy.

Suggested Use

As a dietary supplement, 1 or 2 softgels one or two times daily with meals, or as directed by a healthcare practitioner.

Keep in a cool, dry place, tightly capped.
