

Micro Liposomal C

European Non-GMO vitamin C, in pure essential phospholipids from Non-GMO sunflower lecithin. The soy-free liposomes are several times smaller than other vitamin C liposome products. Pours freely as a liquid and tastes great.

Suggested Use

As a dietary supplement, 1 teaspoon twenty minutes before meals, one to three times daily, or as directed by a healthcare practitioner. Stir into liquid and swallow, or may be taken undiluted.

Store in a cool place or refrigerate. May be kept in freezer for longer term storage.

Variations in consistency may occur.
